## FIRST CIRCULAR

---

### *The 7th Asian Conference on Geography (ACG 2027)*

**Bangkok, Thailand | 7–9 July 2027**

***Mapping Change, Shaping Futures:  
Geography and Geoinformatics for a Sustainable Asia***

#### **Hosted by**

- Geographical Association of Thailand (GAT)
- Department of Geography, Faculty of Arts, Chulalongkorn University
- Asian Geographical Association (AGA)

#### **About the Conference**

The Asian Conference on Geography (ACG), organised under the Asian Geographical Association (AGA), is a regional forum for scholarly exchange, professional networking, and collaboration among geographers, geospatial researchers, educators, practitioners, and students. Since its inauguration in 2015, the conference has been hosted across Asia.

In 2027, the 7th Asian Conference on Geography (ACG2027) will be held in Bangkok, Thailand, coinciding with the auspicious celebration of the 72nd Birthday Anniversary of Her Royal Highness Princess Maha Chakri Sirindhorn, the 110th Anniversary of Chulalongkorn University, and the 92nd Anniversary of the Department of Geography, Faculty of Arts, Chulalongkorn University.

Bringing together diverse geographical perspectives, the conference will examine rapid environmental, technological, social, cultural, and economic transformations across Asia and beyond.

#### **Conference Tracks**

Abstract submissions are invited under the following tracks, including, but not limited to:

1. Climate and Environmental Change
2. Earth Surface Processes and Natural Hazards
3. Ecosystems, Biodiversity and Conservation
4. Culture, Heritage and Place
5. Human–Environment Interactions and Landscape
6. Population, Society and Development
7. GIScience, Remote Sensing and Cartography
8. GeoAI and Spatial Data Science
9. Urban, Regional and Economic Geography
10. Geography Education and Public Engagement
11. Emerging Issues in Geography and Geoinformatics

## Call for Abstracts

Researchers, academics, practitioners, educators, and students are invited to submit original abstracts for oral or poster presentation. Each submission should clearly state the research context, objective(s), methodology, principal findings or expected contribution, and significance to geography or geoinformatics.

Accepted abstracts will be published in the ACG2027 Book of Abstracts.

Selected high-quality papers will be invited for submission to Scopus-indexed partner journals (Q2 or above), subject to peer review and the editorial policies of the respective journals. Any article processing charges (APCs), publication fees, or other related costs shall be borne by the author(s).

## Presentation and Conference Language

- The official language of the conference is English.
- Oral presentation duration and poster specifications will be announced in the Second Circular.
